

Cultural Arts Committee Report – September 2009

Chair: Priscilla Peterson

Auditions are scheduled for September 14th and 15th for the Superintendent's Committee for Performances in Montgomery County Public Schools. Following the auditions, plans will be finalized for the annual **Cultural Arts Showcases** which are to be held this year on **September 29, October 5, 8, and 15**. A poll was taken last winter among those county cultural arts reps who are on the PTArts listserv about the location and times of the annual Showcases, and it was decided to continue holding them in the auditorium at the Carver Educational Services building in Rockville. The performances will begin each morning at 9:00 a.m. and continue, with a different show every 15 minutes, until 2:30. Admission is free and we are posting this information regularly on the PTArts listserv as well as sending it by "pony" to all the county schools. We are also holding a Cultural Arts workshop 12:45 p.m. at the annual fall training session on Saturday, Sept. 12th at Rockville High School.
