Vision The Middle School Committee will provide feedback to MCPS on Middle School Reform and address middle school issues, coordinating work with other MCCPTA committee chairs and sharing successful programs among local PTAs. We will share ideas on ways to encourage parent involvement to support student achievement in middle schools.

Goals Share information on Middle School Reform with parents and seek their comments on middle school programs and issues.

Action Steps The Middle School Committee will have representatives serving on the Advisory Group for Program Evaluation of Middle School Reform and the Integrated Reform Initiatives Cross-functional Advisory Group. Information from these meetings will be updated periodically on the MCCPTA website.

The Middle School Committee will meet in the Fall and Spring to discuss Middle School Reform and programs. We welcome parent feedback on Middle School Reform plans and programs.

Expenses None.
