

Parent Involvement Committee Report

October 2009

Chair: Elisia George, ekjgsha@gmail.com

MCCPTA Parent Involvement Committee held its first meeting for the 2009-2010 school year on September 16th 2009. At the meeting we reviewed the workplan for the upcoming year, with significant emphasis being placed on the International Parent Education Workshop scheduled for the Spring. We decided, that as we got closer to the date of the workshop that it would be imperative to meet more often to put the finishing touches on.

Parents got great tips on ways to be effective advocates for their students, as well as resources that are available to them within the school system. Our next meeting is scheduled for December 9th and we hoping to have a few more parents recruited by then to assist us with The Spring workshop.
