To set a high standard for PTAs to achieve their goals

To allow PTAs to conveniently access the information they need;
to bring a holistic view of what PTA represents;
to provide experience and guidance for every PTA's growth; and
to provide an exciting, dynamic, team-oriented environment that supports PTA's overall mission and purpose.

Plan, implement and orchestrate two (2) training sessions a year in Fall and Spring;
work with the Maryland PTA to plan and provide PTA training;
respond to training requests from local PTAs;
build a cadre of trainers; and
work cooperatively with MCPS on joint training for parents and staff

Expenses:

Already included in overall MCCPTA Budget
